In recent years we've been known as Gladstones. But we have now changed our name to '**Tree of Life**'.

It's a reference to the biblical vision of heaven, in Revelation 22:1-2:  
*Then he showed me a river of the water of life, clear as crystal, coming from the throne of God and of the Lamb, in the middle of its street. On either side of the river was the **tree of life**, bearing twelve kinds of fruit, yielding its fruit every month; and the leaves of the tree were for the healing of the nations.*

**This year we will be celebrating 200 years of the Lord's work in this building.**
